

Rules: No talking. Eyes on your own work. Direct all questions to monitors

- You should have your tools (knife, wire cutters) with you. Rulers ARE NOT allowed.
- A bundle of flowers is on your table and contains all the fresh materials required to complete both your designs. You will be instructed as to what flowers are to be used for each. You will have three (3) minutes to review the flowers provided prior to the start time. You will not be given any additional flowers once testing begins.
- **You are working for a flower shop in your hometown. The order is one symmetrical design and one boutonniere. The boutonniere order is on a separate sheet. Both the symmetrical design and the boutonniere must be completed and out the delivery door in one (1) hour.**
- If you finish before the allotted time has passed, quietly clean your table and pack your belongings. Leave your designs along with your exam grade sheet on your design table. Monitors will move them to the designated area outside the room.
- If you are not finished in one hour, STOP working immediately when the monitor announces time is up. You will be graded based on what you have completed.
- We encourage you to take pictures of your designs before you turn them into the officials.
